FINANCE DEPARTMENT

Members of the City Council

From: Diana Steiner, Finance Director

Re: Sale of bonds for streets, sidewalks and parking lot

Policy Issue: Under Iowa Code Sections 384.24A and 384.2A, the City can enter into a loan agreement to borrow money for any public purpose, but the Council must set a public hearing notice, set the bond sale date, award the sale and then authorize the issuance of bonds.

Recommendation: After the Public Hearing on Monday, Oct. 22 at 5:30 p.m., Council approved the Preliminary Official Statement and set the date of bond sale for Monday, November 5, 2018. The bids are due by 10:30 a.m. Speer Financial will tabulate the bids and present them to the Council at the Monday, November 5, 2018 noon meeting for your approval of the award.

Background: The City currently has the following estimated needs: \$1,000,000 for Street Projects, \$900,000 for Sidewalk Projects, and \$500,000 for a Parking Lot. In order to fulfill these needs, staff are requesting approval to enter into a loan agreement and issue bonds not to exceed \$2.4 million. An estimate of \$56,000 would cover the closing costs for the Insurance, the Underwriter Discount, and other Miscellaneous costs related to the issuance of the bonds. The Council will authorize the issuance of bonds at the Nov. 12th meeting and the City will receive the bond proceeds on Dec. 3rd.

Budget Impact: Repayment is estimated to be paid from the debt service levy. The first interest payment is due December 2019.

RE: FD-PD Building Project – FFE Quotation from Storey Kenworthy

Policy Issue: City policy requires governing body approval of agreements, contracts and large purchases.

Recommendation: Staff recommends the Marshalltown City Council approve the Storey Kenworthy quotation for furniture, fixtures and equipment (FFE) necessary as part of the new fire-police building project. Staff also recommends the City Council authorize project manager, Justin Nickel, to sign this quotation and make all necessary arrangements to move forward with this purchase and project implementation.

Background: The Marshalltown City Council previously authorized staff to work with Storey Kenworthy as the furniture vendor for the fire-police building project. FD and PD staff worked with the vendor to assemble furniture, fixtures and equipment needs for the new public safety building. The attached quotations are for furniture, fixtures and equipment that will be installed and placed in the new 911, fire and police building.

Budget Impact: \$309,559.97. The FD-PD building project (bond revenue) budget does have sufficient funds for this purchase.

Attachment: Quotation documents from Storey Kenworthy.
