## **DISCUSSION**

Motion by Gary Thompson, second by Mike Ladehoff, to untable the discussion item for the Storm Sewer Dispute at 1001 May Street. Motion carried 7-0. Carol Webb, City Administrator, provided some history regarding a private storm sewer that has failed, causing the sidewalk to collapse at 1001 May Street. The City has attempted to get an easement for this property on 3 different occasions; however, the property owner declined. The property owner was issued a formal notice ordering repair of the sidewalk. Councilor Thompson advocated for the City to take responsibility

for the repair. Heather Thomas, Public Works Director, advised that the City does not have the authority to fix it without an easement. Kim Barber, property owner, advised that she is willing to sign an easement agreement. Public comment was provided. Motion by Gary Thompson, second by Mark Mitchell, to bring forward a resolution to use council-designated local option sales tax to repair the sidewalk. Motion failed 3-4, Kell, Ladehoff, Nichols, Schneider dissenting.

Deb Millizer, Director of Housing and Community Development, provided an update on 20 East Main Street. To prepare for the redevelopment by the Curtises, there are several immediate costs to include asbestos abatement, temporary shoring of the mezzanine to complete the abatement, temporary structural shoring for 2nd floor access, and water service restoration. In May, the City applied for a DNR Brownfield Grant for up to \$25,000 for the asbestos removal. The EPA does not have any information on when these funds may be available. The Curtises are requesting to move forward with the project, which would forfeit the grant funding if it were to become available. Deb outlined some other funding options. Motion by Greg Nichols, second by Melisa Fonseca, to wait 2 months to see if the Brownfield Grant is approved before considering other funding options. Public comment was provided. Motion carried 7-0.

City staff provided a budget overview of general fund functions for the Mayor and Council, City Administrator, Legal Services, City Clerk, Elections, Human Resources, Finance, Information Services, City Hall, and Carnegie Buildings.

Clayton Ender, Assistant Director of Housing and Community Development, provided information on Urban Chicken Keeping and how surrounding communities are handling it. The City of Marshalltown's current code prohibits poultry or domestic fowl in residential zoned areas. Councilor Schneider and Ladehoff were in opposition to making any changes. Councilor Thompson advised that the Animal Ordinance Committee would be making the recommendation to move livestock and poultry regulations from Chapter 90: Animals to Chapter 156: Zoning. Clayton advised that the Plan and Zoning Commission could do a review of the regulations. Public comment was provided. Motion by Gary Thompson, second by Greg Nichols, to refer livestock and poultry to Plan Zoning for review. Motion carried 5-2, Ladehoff and Schneider dissenting.
